

GIVEAWAY

Australian photographer and writer Beth Miller has distilled a lifetime of travel experiences into a leather-bound book called *Another Time Past Created*. The book is based around 2007's award and written memories on Spanish cultures in the Mediterranean, Latin America, Greece, Africa and Australia. A special design celebrates the vintage, collage nature of Miller's journals with words, quotes from philosophers, poets and authors, genderings, experiences, travel observations and photographs of landscapes and people. Best screens for his distinctive fashion photography in the 1980s and '90s which appeared in *Elle* and *V*. All had three copies of *Another Time Past Created* published by Fire & Ink valued at \$75.00 each, to give away.

SPLASH OUT

The name Marc Jacobs is synonymous with style in the fashion world. He has an empire that spans men's and women's fashion, shoes, watches and fragrances.

However, the latest addition will be short-lived - two limited edition "splashes" based on his signature scents.

The designer known for reinventing classics in his fashion range, has done the same with his fragrances.

Marc Jacobs Gardenia and Marc Jacobs Fig are lighter versions of his leading men's and women's fragrances, ideal for our warmer months.

The Splash Collection is available from selected David Jones and Myer stores.
