"I can't understand why our power bill is so high."

Strathalbyn Parade

On Friday, December 12 the Strathalbyn and Districts Commerce Association will present Christmas in the Park.

At 6pm a street procession will begin at the southern end of High Street. The parade will travel through the township to Soldiers

Memorial Gardens Park where Father Christmas will meet with children and hand out lollies. Father Christmas will also be making a special early appearance in the park from 7.15pm, where he will meet children to have photos taken. On conclusion of the parade the street party will

begin with free entertainment and activities. Christmas in the Park starts at 7.15pm, and will include a musical extravaganza from a local church group, Christmas carols and music from 8.15pm and the LJ Hooker Strathalbyn fireworks display will begin at 9.30pm.
